CKHP Toddler's Program creates:

- * a safe space for successful play and discovery
- * an environment that enhances learning, minimizes inappropriate behavior, and reinforces a toddler's need for self-competence
- * a strong emotional bond with teachers where children feel a sense of trust and safety where they are free to do their "work" which is to play, explore and learn.
- * curriculum focus is on age appropriate toddler development that encourages the toddler to explore and discover the world around him.
- * strong communication with parents via daily notes, newsletters, and monthly updates about their child's morning at CKH Toddlers.

Financial aid available through monies from the Concord-Carlisle Community Chest
